University Trust Fund Form – Hospitality Expenditure Guidance - Examples Provided Below

Various non-state funds controlled by the University may be used to fund official business, within the restrictions set forth in the updated Hospitality policy. Hospitality expenditures from trust funds are restricted to the purpose for which the trust fund was established. In addition to the terms of the fund and University policies, certain hospitality expenditures must be authorized per the trust agreement form.

Stated on page seven of the <u>Hospitality Policy</u> is guidance on specific expenditures that are **required** to be outlined within the permitted expenditures section of the trust fund agreement form. Failure to include these specific types of permitted hospitality expenditures on the agreement will result in the rejection of payment requests.

Trust Fund Agreement Hospitality Expenditure Examples:

Operating Funds: Includes: GM1##, SO###, RN###, RT###, and QZ###

Hospitality expenditures from operating funds are restricted to the purpose for which the trust fund was established. The term 'hospitality' must be stated on the trust agreement under the 'Allowable Expenditures' area of the trust fund agreement to include hospitality charges. Alcohol, social memberships, entertainment services, and gifts to official guests are not permitted using operating fund sources.

Hospitality Example for Operating Fund:

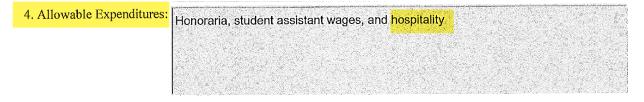

4. Allowable Expenditures:	Expenditures to support the CAPS and Student Mental Health Services Programs
	including but not limited to: salary and wages, travel/training/professional development, equipment purchase/rental, space rental, contractual/non-contractual
	services, transfer to reserve, EO 1000 fees and other general operating expenses
	including hospitality that support the purpose of the trust.

Self-Support Student Fee Funds: RC###, RD###, RM###, RO###, RQ###, RU###, RV###

Hospitality expenditures from self-support/student fee trust funds are restricted to the purpose for which the trust fund was established. Per the hospitality matrix, alcohol is permitted if the agreement states 'hospitality' only. Therefore, to include social memberships, entertainment services and/or all other types of hospitality – the agreement must reflect the inclusion of these specific hospitality expenditures.

Hospitality Example for Self-Support/Student Fee Fund:

Before Revised Hospitality Policy:

If fund expenditures are to include social Memberships, Entertainment services, and all other types of hospitality – you must include this information under allowable expenditures.

After Revised Hospitality Policy:
